

A Culture of Compassion

Park Vista is a well-respected senior care provider nestled among rolling hills and landscaped grounds in North Orange County. We offer exceptional

skilled nursing, rehabilitation, assisted living and memory care. Located all on the same campus, you can have peace of mind that your loved ones will Live Better, Live Longer.

We are dedicated to making a difference in the lives of residents and their families. Our goal is to maximize the physical, cognitive, social and spiritual potential of all our residents.

Expect More from Retirement

Adjacent to Park Vista Health Center, set on a beautiful 33 acre campus north of downtown Fullerton, Morningside offers the retirement you want on your

terms and close to everything you love.

It's more than a place to live. In addition to the beautiful homes, residents enjoy helpful services, engaging amenities and convenient access to long-term care at Park Vista – if ever needed.

Skilled Nursing & Rehabilitation

A Helping Hand

Skilled nursing delivers professional care in supportive surroundings. We offer physical, occupational, and speech therapies provided by our professional team. Our renovated rehabilitation center with all-new equipment provides a productive space to help seniors recover their independence.

Services and amenities include:

- Private or semiprivate rooms
- Personalized care plans
- Restaurant-style dining available
- Full-service beauty and barber shop
- Personal laundry and housekeeping services
- 24/7 monitored security system
- Individualized treatment plan under the direction of your physician
- Fully equipped therapy and exercise room
- Regular safety assessments

Assisted Living

Live Better, Live Longer

Residents in assisted living enjoy extra assistance whenever it's needed, while surrounded by the comforts of home.

Services and amenities include:

- Private, comfortable and spacious apartments with kitchenettes
- Inviting common areas, including lounge, library, theater, outdoor courtyard and sun deck
- Thoughtfully planned activities
- Assistance with activities of daily living, including medication management
- 24/7 security and emergency response
- Restaurant-style dining
- Weekly housekeeping and personal laundry service
- 24 hour emergency call system with personal pendant monitored by trained staff

Memory Care

Enriching Your Quality of Life

Memory care provides a secured and comfortable living environment specially designed for those with Alzheimer's disease and other forms of dementia.

Services and amenities include:

- A brand-new secured memory care unit
- Private and semi-private rooms with shower
- Three fresh meals served family style with healthy snacks available throughout the day
- Assistance with activities of daily living including medication management
- Special activity programming to meet the physical, mental, emotional, social and spiritual needs of the residents with dementia
- Weekly housekeeping and personal laundry service
